Experience The Decina Difference

DECINA'S DESIGN & MANUFACTURING TEAMS ARE EXPERTS IN CERAMIC SANITARY WARE TECHNOLOGY, WITH DECADES OF EXPERIENCE PERFECTING INNOVATIONS THAT LEAD THE WAY WITHIN THE INDUSTRY.

A COMBINATION OF SKILL, PREMIUM MATERIALS, SUPERIOR DESIGN & RIGOROUS TESTING, CREATES SANITARY WARE THAT SETS THE STANDARD IN STYLE, STRENGTH & SAFETY.

ADVANCED HYGIENE TECHNOLOGY

CYCLONIC CLEAN™

Decina's dynamic flush, rimless toilet bowl design & hygienic Nano Glaze technology, sets the standard in toilet hygiene.

SOFT CLOSE SEAT & LID

All Decina toilets feature a safe, practical & modern soft close seat & lid, which slowly closes when pushed down to eliminate noise.

CYCLONE FLUSH™

This dynamic flushing technology, coupled with a rimless toilet bowl design, ensures a hygienic, sparkling white finish after every flush.

QUICK RELEASE SEAT

Most Decina toilets feature a quick release seat & lid, which can be fully lifted off the toilet pan for quick, easy cleaning.

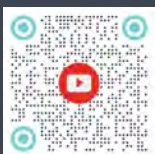

NANO GLAZE

This protective barrier technology is applied to the toilet suites ceramic surface, protecting against 99.9% of bacteria & dirt, making cleaning easier than ever.

EZI HEIGHT

Overheight toilet suites add an additional 45mm to the height of the toilet pan, making it safer & more comfortable, especially for taller users, the elderly & less mobile.

THE DECINA DIFFERENCE... SCAN. WATCH. FIND OUT MORE.

TOILET SUITES

Decina's toilets are made from high quality vitreous china, finished in high gloss white. The Decina toilet suite range gives you the option of a traditional link connector, close coupled or a modern, wall faced toilet suite.
