# Zen

The ZEN Vanity range from Mode is made from TIMBER VENEER which is real timber, sliced finely and pressed onto HMR (Highly Moisture Resistant) board. This is the most cost effective and sustainable way to incorporate real wood into any design project.

Timber Veneer is 100% natural and so the pattern and grain are not altered in any way and because only a thin slice is used it is more environmentally friendly using less of a precious resource. In contrast to solid timber, Timber Veneer will not expand and contract due to the variations in temperature or humidity in a bathroom environment.
